VOLUNTEERS NEEDED!

Our programs are staffed entirely by volunteers. With Sporting Chance, you can put a smile on the face of some lucky person getting to fish or just spending the day in the beautiful outdoors of ND. Whether you are an experienced outdoors person or simply want to provide a helping hand, there is something for everyone to do at all of our events.

AGFE will be held at GRANER BOTTOMS (SUGAR LOAF) —19 miles south of Mandan on Highway 1806 or 3 miles north of Huff then 1 mile east (paved access road, fish cleaning facility, modern and primitive camping, security lights, picnic shelters, trash receptacles, RV dump station, ran by the Morton County Park Board).

LET'S GO FISHING!
